Please read the following information and sign below where indicated.

Our hospital policy is that payment is due at time of service. Payment can be in the form of cash, check or credit/debit card. We can also help you apply for Care Credit financing and information is available at our front desk. There is no hospital administered financing program. If you have pet insurance, payment is due at the time of service. Please contact your insurance company regarding reimbursement.

For Admissions (e.g. patients staying with us for hospitalization, testing, surgery or other procedures) you will be provided with a written estimate of costs. Depending on the nature of medical care, actual cost sometimes varies. During your pet's stay, we will attempt to inform you as soon as possible if the cost will exceed the highest estimate by 25%.

On admission, a deposit of half of the low-end on the estimate is required. The balance is to be paid at the time of discharge. We cannot make exceptions to this policy.

Feel free to contact us with questions.
